

Regie O'Hare Gibson + Jena Kirkpatrick + Timothy Mason

Trio of Poets

"We were among the very fortunate to hear the TRIO of Poets. All we could give back to them at the end was a standing ovation. Whether you never 'got' poetry or you'd never leave home without a poem in your back pocket, hear this group! These poets will take you to the stars, keep your feet tapping and burst your heart and mind wide open with unforgettable imagery."
~ Brenda (A VERY happy audience member)
